**NONPUBLICATION REQUEST  
UNDER**

**35 U.S.C. 122(b) (2) (B) (i)**

First Named Inventor Smith, R.L.

Title: Stable Hydrogen Peroxide Compositions, products, and  
Methods of Use

Attorney Docket Number 0723

I hereby certify that the invention disclosed in the attached application **has not and will not be** the subject of an application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing.

I hereby request that the attached application not be published under 35U.S.C. 122(b).

7/7/03  
Date

  
Signature

Lori M Friedman  
Typed or Printed Name

This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application **upon filing**.

Applicant may rescind this nonpublication request at any time. If applicant rescinds a request that an application not be published under 35 U.S.C 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral agreement, that requires publication of applications eighteen months after filing, the applicant **must** notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of filing of such foreign or international application. **Failure to do so will result in abandonment of this application (35 U.S.C 122 (b) (2) (B) (iii)).**
